

Reflection

The Program

- “The Religious Mentality as a Foundation for building Relationship”
- We as “the next generation of Muslim Intellectuals”
- Aim to “build network between Japan of Southeast

What we have done?

- Listening to lesson:
 - a. Religion in Japan,
 - b. Islam as Area Studies,
 - c. Religion and Education,
 - d. Religion and Society,
 - e. Religion as Culture,
 - f. Religion as Archeology
 - g. Religion as Ritual,
 - h. Religion as Spirit of Society.

- Visiting: Temples, University, NGO, Society, Tsunami areas, hotels, Tea Ceremony,

What we are always talking about?

- Sense, Master, Comedian, Sumo, Ninja, Sinchan, Oshin, Doraemon, peacefully, and hot spring.
- 16 Years, 4 hours, 50 years.

Lesson learned

- Religion not as “contested idea” or “political tools” (compare to Indonesia and Malaysia).
- Privatization of religion,
- Culturalization of religion,
- Culturalization of spirit from religion
- There are some common issues:
 - a. “Japanese Religion” with “Javanese Religion” (Buddha, Hindu, Indigenous religion, local wisdom, local cosmic).
 - b. Goddess (Sea and Mountain).

The installment of religion to Japanese society after 3.11.
